SITUATION SUMMARY

Cal OES Activation Status

State Operations Center	Inland Regional EOC	Coastal Regional EOC	Southern Regional EOC
Normal Operations	Normal Operations	Normal Operations	Normal Operations

Cal OES INLAND REGION

Railcar Derailment, Roseville, Placer County, SPILL: 19-7671

On 12/02/19 at 0537 hours, the California State Warning Center (CSWC) received a report from Union Pacific Rail Road (UPRR) advising that three loaded tank cars derailed upright in the railyard. The cause of the derailment is unknown

- All three railcars were loaded with liquefied petroleum gas.
- There was no hazardous material release and no injuries to bystanders or crew.
- CSWC personnel performed notifications per HazMat SOP.

Cal OES COASTAL REGION

- Nothing Significant to Report

Cal OES SOUTHERN REGION

Boil Water Notice, City of Poway, San Diego County

On 11/30/19 at 1807 hours, the California State Warning Center (CSWC) received a report from Cal OES Southern Duty Officer that the City of Poway issued the citywide boil water notification while water samples are being tested due to reports of discolored domestic water.

- The City of Poway is coordinating public messaging.
- Public notifications have been completed to the City's approximately 50,000 residents.
- The San Diego County Department of Environmental Health has notified restaurants of the boil water notice.
- State agency notifications were made by the CSWC.
- Works Department Operations Center (DOC) is activated.
- Testing and mitigation is underway.
- There are no unmet needs at this time.
- Two bottled water distribution sites have been established for residents from 0700 – 1800 daily:
 - Poway City Hall, 13325 Civic Center Dr., Poway, CA 92064
 - Lake Poway, 14644 Lake Poway Rd., Poway, CA92064

WEATHER OF CONCERN

NORTHERN CALIFORNIA

- Snow and rain showers will continue in the Sierra with moderate to heavy snow accumulating above 7000 feet through late this evening.
- Periods of rain will continue through late morning today with heavy rain possible at times, mainly in the Santa Cruz and Santa Lucia Mountains.

SOUTHERN CALIFORNIA

- The storm will begin to spread rain and high mountain snow into Southern California Tuesday night through Wednesday.
- A wet weather pattern will continue across the region into late next week as a series of weather systems move over the region.
 - The majority of the rainfall with this system will occur across San Luis Obispo County with significant amounts likely for the northwest portion of San Luis Obispo County.

WEATHER KEY POINTS

12/02/19 - 12/08/19

Monday

- Rain continues across northern and central parts of California today through Monday
 - Up to an inch of additional rain is expected across the Bay Area and over the southern Sierra foothills with strong winds persisting
 - Torrential rainfall will be possible below 7000 feet in the Sierra foothills through Monday evening
 - Burn scar flooding is highly unlikely today. There are no specific concerns on recent burn scars.
- Significant snow is expected again over the Sierras and far northern CA through Monday evening

Tuesday-Wednesday

- Rain will become widespread along the Central and Southern Coastal region Tuesday and Wednesday but no significant impacts are expected

Thursday

- No impacts are expected

Friday-Saturday

- The next weather system will bring additional rain to northern California valleys and snow to the northern Sierras Friday and Saturday

Sunday

- No impacts are expected

Cal OES LAW ENFORCEMENT MISSIONS

Ongoing Cal OES Law Missions

- **2019-LAW-8119, 11/29/19, 1039 hours:** Inyo County Sheriff requesting a helicopter to assist in a search for a missing 77 year-old male who's vehicle was located stranded in the Death Valley NP area. Air and ground searches have been conducted over the last several days. Inyo Sheriff SAR is planning for the use of additional air assets on Tuesday, 12/03/19, pending weather conditions. They will update us with any new request for resources based on weather. **MISSION ONGOING**
- **2019-LAW-8053, 11/26/19:** TACCOM has deployed 1 cache and 1 kit (42) of UHF handheld radios to Santa Barbara Sheriff's Department in support of the Cave Fire. **MISSION ONGOING**

Cal OES MISSION TASKING

Cal OES Missions

- None reported.

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
